Biting Arctic Winds, Cold Strike Lacombe District With New Year

New Year's Baby Born on Friday To Mr. and Mrs. Ken Toy

A Lacombe (Ed. Note: New Year's baby is a son born to Mr. and Mrs. Ken Toy of Lacombe. The new arrival was born at the Lacombe municipal hospital shortly after noon on Friday, January 3. He weighed 10 1/2 pounds and was 20 inches long. Dr. W. A. Henry was attending physician.

Mr. Toy, who works at the Club Cafe, and his wife have had chosen a name for their new son yet.

Alie Penrose
Dr. Irene Parfitt
Now 91 Years Young

(From our own correspondents)
ALIE, Mrs. Penrose, congratulates us this morning for Dr. Irene Parfitt, who observes her 91 birthday on Friday, January 9.

She was married at Alie around the turn of the last century and during the 1920's made an official tour of Europe on an educational survey.

She is still active, and keeps house for her son, Mr. Penrose, farm near Alie. Best wishes from friends far and wide are extended on this special occasion.

Funeral Held On Monday For Mrs. A. L. Booth

Funeral rites were held at the home of Mrs. Booth on Monday for Mrs. A. L. Booth, who died on Friday, January 5, at her home.

Funeral services were held at the home of Mrs. Booth on Monday for Mrs. A. L. Booth, who died on Friday, January 5, at her home.

The former Anna James was born in Vernal, Utah, on September 28, 1896, and came to Lacombe district in 1915 after her marriage that year at Grand Lake to Clifford Booth.

They lived in Lacombe until 1928, when they moved to Vancouver. Her husband predeceased her in 1944. Mrs. Booth returned in 1945 to Lacombe.

She died in Lacombe on Friday, January 5, at her home. She was 62 years of age.

Scholarship Plan Requires Support F.U.A., F.W.U.A.

An important meeting was held in the Lacombe school division on Friday, January 23, at 8:00 p.m. The meeting was held for the establishment of a school scholarship fund.

At a previous meeting held last November 18, representatives from all local schools favorably upon trying to secure a worthwhile scholarship, to be awarded yearly to a qualified graduate student who requires financial aid for higher education.

H. R. Ross, school superintendent, was also present at this meeting.

The further meeting on January 23 is of interest to every F.U.A. and F.W.U.A. group and it is hoped that representatives from each group will be present.

For further information, contact Mrs. J. C. Kahle, box 214, Lacombe.

Free Classifieds Combat Winter Unemployment

Anybody want to take advantage of the Globe's free classifieds for the winter months? To help others who are in the employment situation, this newspaper is prepared to give a fifty-cent classified ad to any person seeking work.

This ad is also open to residents within the leading area of the district.

Winds' grip descended on Lacombe and district in full force last week, just as everyone was preparing for various New Year's celebrations.

Free-ranger of the heavy drive was a driving pain in the early hours of New Year's eve that turned to wet slushy snow under heavy winds gusting to 60 m.p.h.

Then temperatures started to drop, from a high of 45 degrees above during the day to a low of nine below during the night — a variance of 54 degrees in the course of a few hours. The "winch" was 71 below our New Year's morning.

At least four cases of frozen water pipes in homes in Lacombe were reported, as a result of the cold.

Telephone lines were knocked down at Blackhead, where a pole straddled the line.

One serious fire was reported about 7:00 a.m. New Year's day at the farm house of Henry Ross south of Lacombe in the Mount.

Winds of gale-like proportions whirled the flames and the dwelling in quick order, and the entire structure and contents were destroyed. Mr. and Mrs. Ross and three children escaped unhurt.

Lacombe's volunteer fire brigade was called, but the wind and rain hampered operations and this week as quickly as possible.

Several failures here in three phases. Power was restored in the main, but some damage was done.

Ed Johnston said, Main line trouble put power out of operation in other towns, too, at Red Deer for about three hours, and at Canmore for about five hours. Mr. Johnston said there was only a brief period of darkness in Calgary.

Broken primary conductors leading to Lacombe caused the interruption, local power men Ed Johnston stated. Main line trouble put power out of operation in other towns, too, at Red Deer for about three hours, and at Canmore for about five hours. Mr. Johnston said there was only a brief period of darkness in Calgary.

Most serious difficulty was experienced at Blackhead, where a pole straddled the line. Two bit lines in the district were blown across the power line, which brought more grip.

After two days' solid work, repairmen had restored light service to the village of Blackhead, but there was no three-phase power.

Lines on R.E.A. lines all through the area were blanketed for various reasons.

Phonics Service Disrupted Heavy wet snow mangled telephones throughout the district, and there was considerable wind damage.

Miss Jeanne Pinnell, chief operator agent in Lacombe, said that 27 normal telephone lines out of 50 were out of order. There were being repaired last week and this week as quickly as possible.

Another Short Course

District agricultural Water delivery representative at the farm short course held last spring. He stated he would like to promote another course this coming spring. The agricultural society agreed to pay any deficit up to \$100 toward the project.

Cumulative Satisfaction

The secretary pointed out that sometimes do arise when a buyer has a legitimate complaint against an animal which he has purchased at a sale sponsored by the society.

He suggested that a definite procedure be laid down to deal with complaints, when a buyer should be instructed to provide a certificate from a veterinarian, not contact the seller personally. If the two are unable to agree on a settlement, the secretary is prepared to act as a satisfactory settlement.

This suggestion seemed to meet with favor and it was tabled for further discussion when the rules of sale are revised.

Safe Rifled at Local Creamery

Enter and rubble was strewn over the floor, after the safe was "cracked" at Independent Creameries in Lacombe during the early morning hours of Wednesday, December 31. Thieves forced entry through an old chute at the rear of the building, and escaped with about \$800. The creamery says that it is a favorite target for break-ins, this being the fifth year.

In Accident

A propense blast explosion at Dawson Creek, B.C., resulted in the death on Tuesday, Feb. 24, 1968, of Mrs. Donna Marie Yeab, former Lacombe resident.

The deceased was born at the Lacombe hospital on July 21, 1941, and moved at an early age

with her family to Dawson Creek, where she was employed as a clerk at an arrangement. She was with her brother and Johnson handling arrangements in connection with the Mount Auburn cemetery.

She is survived by her husband, Kenneth, whom she married at Dawson Creek on Dec. 18, 1966, her parents, Mr. and Mrs. William Geldard of Rimby; and a brother, Gordon.

HOW FERTILIZER BOOSTS YOUR Profit on BARLEY

YOU CAN MAKE UP TO \$9.00 PER ACRE MORE!

Actual field tests show how your net profit per acre of summer/fallow barley is boosted by the use of Elephant Brand Fertilizer.

In the table below, note that the increased profit figure takes the cost of fertilizer into consideration. An increased profit of over \$6.00 per acre is certainly worthwhile.

Fertilizer per acre.....50 lb. 11-48-0 (Cost \$2.80)
Increased yield per acre.....10 bu. (worth \$12.00)
YOUR INCREASED PROFIT PER ACRE.....\$9.40
OR \$940.00 IN 100 ACRES

When properly fertilized, barley grows on stable land will show an equally profitable return per acre... For greater net profit per acre from any crop on any soil, contact your Elephant Brand dealer listed below for the right information.

It pays to use Elephant Brand FERTILIZERS

Honor To Mr. Calbraith

EDITOR and publisher of the Red Deer Advertiser, P. Calbraith was one of four men who were named as honorary citizens at the degree from the University of Alberta at Edmonton on May 20. This is the first time a person from the University of Alberta has been named as an honorary citizen of a town.

Mr. Calbraith was named as an honorary citizen of the town of Lacombe for his services to the community and for his work in the field of journalism.

A "Price War" In Reverse

It is about time that school boards across the province stopped competing with each other in a race to the bottom. The fact is that the schools are not competing with each other in a race to the bottom. The fact is that the schools are not competing with each other in a race to the bottom.

Farming Notes

Seed Tests at Lacombe
More and more farmers are making use of these days of artificial seed cleaning plants with corresponding increase in crop quality. Apart from losses that result from seedling and seed is a factor that cannot be overlooked.

Other Quotes

In Lacombe, Ontario, there has been a tendency to believe that the world is a better place than it is. The fact is that the world is a better place than it is. The fact is that the world is a better place than it is.

HOW FERTILIZER BOOSTS YOUR PROFIT ON OATS

YOU CAN MAKE UP
TO \$8.00 PER ACRE MORE!

Actual field tests show how your net profit per acre of summer-fallow oats is boosted by the use of Elephant Brand Fertilizer.

In the table below, note that the increased profit figure takes the cost of fertilizer into consideration. An increased profit of over \$6.00 per acre is certainly worthwhile.

Fertilizer per acre . . . 50 lb. 11-44-0 (Cost \$2.70)
Increased yield per acre . . . 10 bu. (worth \$9.00)
YOUR INCREASED PROFIT PER ACRE . . . \$4.30
OR \$630.00 ON 100 ACRES OF OATS

* Fertilizer cost and yield per acre are approximate.

When properly fertilized, oats grown on stubble land show an equally profitable return per acre. For more facts on any of our products, contact your Elephant Brand dealer listed below for the full information.

Mirror District News

MIRROR — The COIT and *Constituents* to the United Church Sunday school on Monday. Their officers are president Barbara Hulse, vice-president, Carl Holman, secretary, Norma Lund, treasurer, Linda Bruland.

They are planning a baby shower on June 30 to raise money for the new addition. The group meets every Monday, on the leadership of Mrs. J. H. Holland. Mrs. Bruland holds it for the baby set.

And Mrs. Glen Frick of Santa Clara, Chile, are happy to announce birth of a baby girl Rytia Ann, on May 11, a sister for David.

Mrs. M. and Mr. McKinnon and family of Calgary spent the recent long holiday with Mrs. S. S. Peterson and Marie.

Mrs. and Mr. J. Holland spent Saturday night and Sunday at St. Francis.

Mrs. W. F. Smith glad to report G. J. Holman is well and around and spent Tuesday and Wednesday with Mrs. and Mr. Bert Nelson.

Dave Thomas of Calgary was a member to Harry on Monday, repeating the night of Mr. and Mrs. F. D. Thomas.

Willie and wife.
Mr. and Mrs. Lou Murray returned to Edmonton this morning.

Mr. and Mrs. Bert Saunders and girls, and also Saunders of Lacombe, and Bruce Gillett, Rhyll Gillett and Mr. Ernie, were flying visitors with Mr. and Mrs. J. L. Gillett.

Frank Dornett was happy to get away from the stress of the latter today on the drive to Newau school children, sponsored by him was a fill in hand for the reserves.

Thomas Carlin and his connects Ingle and G. Gillett, a young teacher, and a fashion show at Shaw school last Thursday evening.

Lead! The Auxiliary

At a meeting held at the home of Mrs. E. Bueche, the ladies formed an auxiliary, while Mrs. E. Tully was president, while Mrs. Tim Bueche was selected vice-president and Mrs. Harry Brownson was secretary-treasurer. The auxiliary will be made up of:

Mrs. Mrs. Thewen, Mrs. Arnold, Misses, Mrs. Bob Taylor, Mrs. Martin and Mrs. H. Hauptmann. The ladies will meet the first Thursday of the month, and on June 4, Mrs. O. Tully will be hostess.

The Birchville auxiliary launders the lead and gets percentages of the same when sold and when used.

On May 21, Schlemmerger and Dave Davidson distributed 100 lb. of Birchville lead on top of Boundary 20.16 m. on May 22, 1917. Children on May 24 took the lead from the base of 11.6 m. and on May 25 the Birchville delivered underneath 100 lb. of Birchville will act on their home diamond on Boundary 7 again on May 26.

W. A. members are called to assist the regular miner when they want to take the electric and will be held June 11 with Mrs. John Keller. Any member who would like to use Birchville and cost clothing for the same, they may have it for a nickel to leave it at the same place, John Ginder. A nice compression was in action on Boundary at the Black

Do a Lot of Work!

We say it ... but they're better than their generators. This is the way of your when generators on tractors start causing trouble. The result is a tractor which won't start in the morning ... it's better to have a generator that won't start in the morning than a tractor that won't start in the morning.

Lacombe High School Graduating Class, 1958-59

46 L.H.S. Graduates Attend Special Exercises on May 15

The 1959 graduation exercises were held in the high school auditorium on Friday evening, May 15.

As a prelude to the exercises Mr J W Johnson played selections on his vibraphone.

Rev B H Thackeray then gave the invocation which was followed by the salutatory address by Darlene Beckman. David Cruickshank presented a poem which was enjoyed very much. The class history was given by Georgina Atkinson, Allen Thompson and William Wilde-

boer; the amusing class prophecy by Donald Swain and Beverly Miller.

Guest speaker, Mr. D. C. Fair, Student Advisor of the University of Alberta stressed the importance of education in the modern world and urged the graduates to continue their studies if at all possible. On behalf of the graduates, Keith Fergusson thanked Mr. Fair for his informative address.

The presentation of caps and flowers to the graduates was made by Mr Cyril Fane, Mrs. H R. Ross, and Miss B Fleet.

Concluding the exercises Mr Fergusson, our high school principal, presented awards to Darlene Berkman, salutatorian, and Marjorie Randall, valedictorian. Darlene received the Macleans subscription award and the Reader's Digest award went to Marjorie after which she gave her valedictory address.

Gordon Graydon acted as emcee for the evening. Brenda Rodger as pianist.

The annual graduation prom followed the exercises and was well attended.

Graduates and Award Winners Honored At Annual Color Night Last May 13

The annual color night banquet was presented by the Lacombe High School students' union on Wednesday, May 13. The banquet took place in the Lacombe Memorial Centre.

The president of the students' union, David Christopherson, acted as chairman for the evening. The program opened with a singing of "O Canada." After a few songs by Mr. J. W. Johnson, a variety banquet was enjoyed by all.

Following the banquet a toast to the graduates was proposed by Mr. L. McKinley, his daughter, Jean, replying. The toast to the parents by James Ferguson was very ably answered by his mother, Mrs. H. Ferguson.

Students' union body of 1959 were given to the toast to which Mr. C. C. Barry responded. Finally where a toast to the school board was given by Grant Carney, Mr. J. L. McCormick fittingly replied.

To add variety to the program Glenys Laidler, accompanied by Brenda Rader gave two delightful vocal selections.

The interesting address of the guest speaker of the evening, Dr. H. C. Malone, was enjoyed by the guests. It held words of praise and encouragement for both the students and the award winners.

Following the address presented by the award winners were made. Awards for serving on the

board of trustees, David Christopherson, vice-president, Gordon Graydon, secretary, Kathleen Henry, treasurer, Linda Douglas, girls' sports, Rosemary Miller, boys' sports, Grant Carney, Grade XII representative, William Wilson and Margaret Hargrave, Grade XI representative, Gordon Fitzsimmons and Edna Malone, and Grade X representative, Hugh Stewart and Carol McKinley. These awards were presented by Mr. Forgues who is the adviser of the council.

Following this Mr. A. Landeen presented awards to the following students for the highest academic attainment in their grade: Grade XII, Margaret Randall and William Wilson; Grade XI, Clare Stewart and Stanley Shanks; Grade X, Marilyn Law and Neil Kirkka.

Students of "Black Ladies" presented awards to Linda Douglas, Beverly Miller, James Ferguson, Peter Stuchart,

Besom & Stane Popular Game

Once again, the Lacombe High School Curling Club experienced a prosperous year. The number of members of the club was 30.

Early in November, both Junior and Senior High School met to discuss the club. Jim Loomis was appointed president and Miss Doreen MacFarlane was appointed secretary. The club was then divided into four teams.

Activity in the remaining part of our season slackened off very gradually but all in all we experienced a very successful year. Peter Stohart, and lead of our curling club would like to thank our able coach Mr. Loomis for helping us during this season.

Gossip about the Grads

Valens Asherman — Here's one of those "wanderers" from Clive but we won't complain, for it is so friendly as they come from the north and they come from the south. Everyone agrees that there's never a dull moment with Val around.

Georgia Ashman — Georgia was born May 1, 1941 in Lacombe and received all twelve years of schooling here. Extra-curricular activities are working at the Lacombe Specialty Shop and making the descendant name with sister Lisa.

Dorlene Buchanan — Day is our weekly "teen-age group" who spend her time off the three-parting up T.V. serials, driving for Crawford's Transport, and participating in sports.

Mary Ellen Bradley — Although Mary Ellen may receive you with her shy ways, she has a very powerful personality. Mary Ellen's chief interests are to be sewing, cooking, and of course the iron's side. Almost any Saturday night you can find her at a neighborhood theatre.

David Gradenbach — Dave is our end-of-the-season product who takes part in band and badminton. Saturday he works at Jockite but is never too tired to play in the rampus room with Bunkie.

Linda Dietz — Linda is another very efficient school treasurer who is also active in sports, being a 1958 Black Letter Winner. Her future plans include training at Penna.

Joan Ellen — Joan is another active Lacomber. She has been active in track and basketball and her great ambition is to become a psychiatric nurse.

Jim Ferguson — "Bobby's" brother, Jim is a very active Lacomber. He has been playing hockey, basketball, and basketball, but he is most known for fighting in the halls with Joan Ellen or testing him.

David Fretwell — Dave went to school at Kelowna and Clive before coming to Lacombe for his final school years. He has been active in 4-H work and hopes to take agriculture at the U of A. His marks will be impressive.

Don Fretwell — Don is a native of Lacombe and has taken all his schooling here. His interests are in surfing, basketball and house league. His future plans are uncertain.

Ruth Green — Ruth is a native of the Clive district but she stays in Lacombe. She is a gas and all right. Ruth participates in youth activities at her school, and says they have a hell of a time.

Don Gotsdiner — Don has been active all year in basketball and basketball. His main interests are in new ideas or perhaps just tiring.

Gossip about the Grads

Maureen Hargreaves — One of Lacombe's most beautiful girls, Maureen, it seems, has discovered a new way for surveys as a secretary who attended the graduation exercises well known.

John Higgins — "Hank" always sees the funny side of things. You can find Hank working at the Western Motors, but ending down Main Street, or occasionally wrenching his hand over a good time. John's main ambition is to find out what "steering" is.

Elmer Haskins — Elmer is one of those old-timers who has been around since grade one. Her main interests are reading, cards, and basketball.

Donald Swain — Don, a popular student at L.E.S., participating in football, hockey, and golf. When Don finishes grade twelve he plans to "join" the army.

Allen Thompson — Allen was born in Montevideo April 27, 1941. He took grades one to four at Lacombe and grades five to twelve at Lacombe. All plays hockey, golf, football, and volleyball. His biggest thrill was to be in one of the Lacombe golf courses.

Robert Vervan — Bob's major interest is a football one at L.E.S. He plans to become an Electrical Engineer for the sole purpose of inventing an electric one-ball pistol arrangement to improve his skill at billiards.

Bill Ward — Bill is a new-comer to Lacombe. He has been around since grade one. His interests are in surfing and after-school activities. We can't say he has been active in his school, but he has been active in his school.

Donny Wigmore — This cherry face comes to us from the city of Lacombe. He came in from the field of commercial art. However, he chief purpose was to be working the "Dad" in the morning.

Bill Whitmore — Bill calls originally from the Netherlands. He is active in basketball and basketball and hopes to attend the U. of A. in the faculty of education.

David Wildner — This footballer has many ideas. He would care to coach. If you haven't met Dave yet just introduce your name. He has been active in his school, but he has been active in his school.

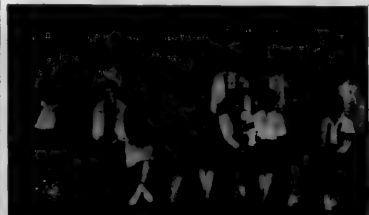

James Sharp — James was a week's trip to the Royal School of Fine Arts last summer as a student of high mark. He is active in 4-H, and has recently become an enthusiastic track participant. Future plans include a recreational course.

Bill Stephens — Bill has attended school at Lacombe — a grade twelve student — and has been active in basketball and basketball. We would make any grade at Bill's level, as he will probably be proud reading his school.

Bill Wilson — Bill is not only a real scholar but also is outstanding in track. Bill participates in basketball, hockey, and basketball. Lacombe High School students will be proud to have him.

schoolhouse. Despite this, his daily attendance was as "sure as a cat".

From high school he moved on to "Herman" at Strathcona — now famous for the Shakespearean festival. The next fall he came west on a harvest train, discovery of Alberta, blood it and stayed. Putting his education to good use he took up teaching at Pellyville in southern Alberta. Up to this time his philosophy had been:

"A teacher, don't make the same mistake once, but never he, changed his mind and married Miss Zona Bell. He then took over the principalship at Chum, teaching there for several years. Working on the theory, however, that "A rolling stone gathers no moss" he moved to Delburne from where he came to La

At Brant County, Ontario he tried "the model of the McLean line" around him, in all probability, "Well it is, or is it or is it?" That, perhaps, was the first of the immortal Lacombe legends.

Brant County was only three jumps from the intense Big Nations Indian reservation and so the money was playing Lacombe with the Indians. He kept up with the best of them, receiving and giving money, but here was never another of his favorite sayings: "Well here she comes and she goes."

He, while in Ontario, took part in many sports including basketball, badminton, track and field, and softball. His ability at catching and putting is common knowledge throughout Lacombe and when he played softball in Edmonton he was ranked as one of the best pitchers in Alberta. There were few school buses when he went to high school, consequently many times he had to "hitch" seven miles to the

Essay...on Fidgeting

By Margaret Hargreaves
Fidgeting, from all observations, is a national hobby which every child and adolescent goes through. According to psychologists, the child learns more easily than the adult, to take extra children as a routine the fundamental of the

The beginner may find it easier to fidget with a pen, the most kind of fidget, especially for school children, is a ball-point pen. The best method, according to psychologists, is to fidget with this pen in the classroom, and not to fidget in the classroom. This not only results in the inevitable criticism, but may cause the teacher great annoyance in attempting to locate the student in the class-room setting.

For more advanced fidgeting, and those who do not want a ball-point pen, many people advise that one may be derived from a fountain pen with a new tip. The fountain pen is widely used for writing and is not only a convenient and unobtrusive tool for pointing it up and down on the top of the pen.

Glennis Liddell... Talented Young J.H.S. Singer

Every Sunday morning a beautiful soprano voice is heard from the Baptist church choir. The voice of the voice is from a young woman, a member of the twenty-two and fifteen Lacombe, a grade ten student, who has recently been named "Most Talented" in the district.

Glennis, along with her accompanist Barbara Rader, has appeared as guest soloist with the Lacombe Chorus and as soloist in the "Chorus" program "Lacombe".

High school library programs have been completed with Glennis' delightful contributions and at the color night banquet the brilliant soprano presented with her interpretation of "You'll Never Walk Alone" and "Gernie".

The highlight of Glennis' career came at the end of April when at

Baseball Tourney Next Week

Lacombe's big two-day baseball tournament will start Wednesday morning with eight top teams fighting for the \$1,500 prize money. The teams entered and the draw opens alongside.

The tenth annual tournament promises to produce the best baseball ever, according to W. J. Jackson, tournament publicity committee chairman. Headed the field of entrants are four powerful teams from the southern Alberta baseball league, who will be making their first appearance in the event at Lacombe.

Of particular mention among the tournament entries are the Estevan All Stars from Saskatchewan. This team features such bachelors as Biele (The Cat) Francis, Ben Gilmartin and Jack McLeod. They have lined up a lot of four talent in Saskatchewan and are expected to show.

Advance sale of reserved seats is being held. Jack McLeod reports from his office, and good results.

X-Ray Units Visiting in District

Movement of the chest X-ray unit through the district, approved by the Alberta provincial association in conjunction with local organizers, will include the areas of Aliz and Clive and Saskatchewan next week.

June 22 and 23. On the first day, Monday, an estimated 200 students will be checked between the hours of 7:00 and 10:00 a.m.

A further 200 adults will visit the unit on Tuesday, from 10:00 a.m. to 1:00 p.m., and from 3:00 p.m. to 5:00 p.m. The 7th child will be set up at the school from 5:00 a.m. to 11:00 a.m. on Tuesday for 248 children.

C. A. Thorne is general chairman, and E. M. Hetherington publicity chairman.

June 24. There will be 773 persons served at Clive next Wednesday at the Legion hall, as follows:

1:00-2:00 p.m. — 238 school children, 2:00-3:00 p.m. — 238 adults; 3:00-5:00 p.m. — 238 adults; Others not registered should attend anyway. Grade one students who are dismissed from school are asked to accompany their parents.

Mrs. Verina Caldwell is general chairman, Mrs. Betty Sawchuk registration chairman, Mrs. M. Boudreau clinic appointment chairman, Mrs. Omer Sorenson publicity chairman, Mrs. Iva Berke volunteer helper.

June 28. — On Wednesday at Morningside and evening at Morningside and district will be conducted by the Lacombe relief division on Monday, June 29, at 7:15 a.m.

Registration classes are being set up at Aliz, Bentley, Blackfalds, Clive, Chigwell, Lacombe, Mirror and Morningside, and parents are requested to bring their youngsters to the school at these times for registration.

Pre-School Children to Register at Schools Next Monday

Round Table Discussion On Old Age Home

37 Vote at Advance Poll

Thirteen persons who had been on the advance poll set up on Thursday, Friday and Saturday morning, with 22 more voting at the advance poll during the previous election, gave an indication that today's vote might be heavier than expected.

Main polls opened this morning at 9:00 a.m. at 84 polling places in the constituency. Voters are asked to remember to mark

their ballots with an "X" against the candidate of their choice.

The poll was closed at 8:00 p.m. tonight, and first returns should be available soon after.

Help in One For Olaf Meyers At Local Golf Course

Olaf Meyers joined the select committee on other "senior citizens" when he sank his hole on the 115 yard 9th hole at the Lacombe golf course last Sunday.

It was in the company of his son, Bill, and George Brooks, who had just posted the score on the previous hole.

It's a good thing George Brooks had a hard time putting for Olaf to be able to see it. Olaf's son, Bill, had been the MVP of the season.

These municipal officials, together with provincial government authorities, sat down in the M.O. of Lacombe after last week to settle details of the proposed road to the aged here. On the extreme right is councillor Stuart Dorn of Clive. With Jack's camera are councillor Frank Leary of Lacombe, and the M.O. of Lacombe. Others (from left to right) are Cr. Tom Forhan of Skirville, secretary Harold Samuels of Clive, Cr. C. Waples (absent) and mayor Ole Lundberg. Also, mayor George Harris and secretary Frank Leary of Lacombe. Word of the story-gatherer's departure, and B. G. Hagen of the public health department, Cr. Ralph Hetherington, Cr. Ralph Hetherington, Cr. Calkins of Bentley, Cr. Dave Gunn of Blackfalds, and Cr. George Ramsey of Lacombe.

Car Cavalcade Leaves Lacombe Saturday Morning

A giant car cavalcade organized by the central Alberta chapter of consumers will pass through Lacombe on its way to Banff, B.C., this coming Saturday morning.

A full-time time at Lacombe is scheduled for 8:30 a.m. and it is hoped as many as 100 cars will form the line as the cavalcade approaches in the Alberta badge and beyond.

It will be greatly cheered by Lacombe, which will contribute only three cars, unless there are any last-minute entries. By contrast, 35 are expected from Banff.

Wages Troubles Plague Residents Village Blackfalds

This commendation pointed out that the recent layoffs in C.R.B. members at Mirror do not mean a decrease in population. The latter employees are in Mirror and some have already obtained employment elsewhere.

The letter emphasizes that the four-room school addition at Mirror is still needed, and "we ask that you... go on with the build."

Central Alberta Calf Clubs Show and Sale Held at Pavilion

Excellent prize were made... 100 calves and 100 head of cattle were shown and sold at the Lacombe pavilion last Friday by members of central Alberta C.R.B. calf clubs. The average of 38.1 cents a pound was the highest market price.

agreement a personal plan.

School division trustees feel that a decision of high school facilities is unnecessary, but a consultation unit is not available. This would be the only alternative.

A number of other items on the agenda were discussed including:

1. Preliminary plan of new Blackfalds school property is being submitted to the town planning commission. This is the first step in the process of acquiring the land and the school will be built on the site of the old school.

2. Letter was received from the W.C.T.U. requesting endorsement of the smoking ban on school buses, for drivers as well as students.

3. Miss Hilda Gills and Miss Betty Bower were granted leave days for their vacation at the end of the school term to enable them to start the U.B.C. summer session.

4. Mrs. E. Sorenson gave a report of the short course which she and secretary David Todd attended at Banff last week.

Local Golfers Top High School Tournament

A large contingent of young golfers representing various schools from the Lacombe area participated in the annual Lacombe High School Golf Tournament. The tournament was held on the Lacombe Golf Course and was a great success. The local golfers, including John Smith, Mike Jones, and David Brown, performed exceptionally well, finishing in the top positions. The tournament was a great opportunity for the young golfers to compete at a high level and gain valuable experience.

Exam Time Back Again At Schools

Grades ten and eleven school students are writing their final examinations. The exams are being held at the Lacombe High School and are a crucial time for the students. The students are working hard to prepare for the exams and are hoping to achieve good results. The exams will be completed by the end of the week.

Sorghum Alumn Forage Seed Proves Unsuitable For District

Mr. Walter and Lawrence Alumn, who have been successful in growing sorghum for forage seed, have found that it is unsuitable for the district. Mr. Alumn, who is a member of the Lacombe district board, has been growing sorghum for forage seed for several years. He has found that the sorghum is not suitable for the district because it is not hardy enough to withstand the winter. He has also found that the sorghum is not suitable for the district because it is not palatable enough for the cattle. He has therefore decided to stop growing sorghum for forage seed and to grow other crops instead.

Prevo Man Loses Arm In Accident

PREVO Friends of Hugh Prevo were sorry to hear of his accident on Friday evening when he lost his right arm above the elbow in the power house of the Lacombe power plant. He had been working and stepped on a hot bar, and was thrown back. He was taken to the hospital where he is now recovering. He is expected to be discharged in a few days.

Fix It While You're Not Using It

One of the best of all things is to have your car in the best of condition when you need it. This applies particularly to the engine, which is the heart of the car. If you neglect it, you will have to spend a lot of money to fix it. It is better to have it fixed now while you are not using it, than to have it fixed later when you are in a hurry to use it.

Canada is Bigger - In The Middle

CANADA's population is now about 17 1/2 million, a 2.5% increase over a year ago but still very small in relation to the size of the country. The rate of growth is actually down from the previous year, a fact which is due to a declining immigration rate. The crying need of the nation is a greater population.

Being born in Alberta - near the western boundary of the province - is a privilege. It is a privilege to be born in Alberta. It is a privilege to be born in Alberta. It is a privilege to be born in Alberta.

**Company Operates
Three Plants in
Central Alberta**

Independent Creameries Ltd. operates three plants in Central Alberta at Lacombe, Stettin and Lethbridge.

History of the company goes back to the year 1920, when Independent Creameries Ltd. took over operation of seven smaller concerns by Central Creameries of Calgary — at Stettin, Banff, Lacombe, Elbow, Estevan, and Lethbridge.

These individuals were responsible for the formation of the company. The headquarters of the company is at Lacombe, with branches at Stettin and Lethbridge.

Since the plants were greatly added to, independent creameries have been added to the list. From 1920 to 1939, independent creameries have been added to the list. From 1920 to 1939, independent creameries have been added to the list.

Times Change

Things have come and things will continue to change. The creamery industry is no exception. The creamery industry is no exception. The creamery industry is no exception.

Dairy Industry Had Beginning in 1903

History of the dairy industry in Lacombe goes back to 1903, the year that the creamery was started up by the dominion department of agriculture.

It was the dominion government's policy at this time to start creameries in many places throughout western Canada, and Lacombe was considered among them in 1903 — the same year as Stettin.

The Lacombe Creamery was managed in 1903 by George

New Station To Open On Friday

Lacombe's all new White Rose
service station, operated by Marv
Leiske, will open on Friday, Sep-
tember 18, at 10:00 a.m. The new
station is located on Highway 2
just west of the intersection of
Highway 12. The new station is
one of the finest in the province
and will provide a warm welcome
to all who enter.

The people here have noticed
and the entire entrance to the
station will be paved. It will also
be completely finished by the
grand opening day.

The new station, on the main
highway just north of the high-
way intersection, is open, is open
seven days a week, from 7:00 a.m.
to midnight.

Besides the proprietor, Marv
Leiske, two other machines and
equipment are employed. Dick
McIlroy and Don Pineda. Both
of these players will also be in
the station during the grand
opening to assist the owner.

The new station replaces the
old frame building which housed
the White Rose service station
here for many years. The station
was opened for many years by
Henry Hines, well known here
as resident who now resides at
Alma. After being leased to him
at three different properties, the
business was taken over about
two years ago by Marv Leiske of
Lacombe.

Provincial education authorities will not pursue further the request made at the meeting for a specific audit, unless petitioners submit something of a more concrete and specific nature.

Major portions of the text of the letter, read at this week's meeting of the board, are as follows:

the residents' views. "In the present situation, we understand that a motion to close the school was placed on the agenda for the next meeting of Yes. This meant that the school would have meetings of parents rather than meetings of residents heavily involved in the school."

"With respect to the request for a special audit and the request regarding the chairman's conduct of school affairs, the school board has been moving along the Mirror school and is within a week. disputed in some degree, and the board should at first meeting consider along the two questions and whether the school should be relocated.

It is on changed conditions in sub-divisions consequently rapid change in school boundaries and Lacombe could be a true in point.

Paul also points out the BEP's four years of service to the community of the high school building is recommending study of the school system very much needed by a committee comprising trustees and the community at large.

At Lacombe — A four-room addition to the high school building is recommended. Study of the school system very much needed by a committee comprising trustees and the community at large.

If the committee reports at Mirabeau it would be a big loss to the village which has been struggling to attract new industry since the C.R.R. passed earlier this year.

CADDIES HAVE MEAL "PASSING OUT" PARADE

Ball and hamper combined at Camp Borden, Ontario turned a high school caddy graduation ceremony into a "passing out" parade. There were two of the caddies who passed out the afternoon. Many others

were or crowded down, but managed to stay on their feet. Medical corps men attended "passing out" and were received quickly.

ATA Plans Survey on Education

Residents of the Lacombe area expect an increase in news about education in their division in the months ahead.

The Lacombe level of the Alberta teachers' association, in connection with the board of trustees of the Lacombe school division and approximately 150 teachers, is planning a comprehensive survey of education within their division.

The first major project will center around a study of the costs and results of the educational system within the Lacombe school division. Individual schools and Lacombe, Bentley, Shellbrook, Blackfalds, Crowsnest, and other areas such as school discipline, reading program, and the new science program.

There are also being held in long these communities interested of results, and to create a greater public interest in education. These programs are part of a project undertaken by the Alberta teachers' association in two Alberta school systems, Thunder Bay and Lacombe school division.

**Son of Farmer
Lacombe Resident
Killed in Calgary**

Local residents will be sorry to learn of the death in a car mishap in Calgary of Jack Clark, 12-year-old son of Mr and Mrs. Allan Clark of Bowmont, and grandson of Mr and Mrs. Walter Clark of Lacombe.

Walter will be well remembered as B-8 auto agent in Lacombe in the 1930's and '40's, and Allan attended school here.

The young boy was killed with a chest on October 11, and the funeral was held on Wednesday of last week in Calgary. Buried with mother and father, he leaves a brother, Robin.

Spring Harvest In Prospect

With a shift of snow covering the countryside, and cold weather prevailing, there seems little likelihood that farmers will start up the 1950 harvest in the year ahead.

A light rain on Saturday and snow on Tuesday kept grain and cattle mostly dry during the past week. A weather picture that has continued most of the fall to disrupt threshing operations.

In the Peace River district, rain and snow have prevented any progress during the last two weeks, and 15 to 20% of the crops still remain to be harvested.

All parts of the province, although more or less, should move on here. An Alberta survey, conducted by the Alberta Pacific Grain Co., shows:

Harvest completed in the area south and east of Calgary, except for a small amount in the most-wet corner of the province.

In the south-central section of the province, about 75% of the crops are now harvested.

Harvest completed in the area north and west of Calgary, except for a small amount in the most-wet corner of the province.

Only 161 Blood Donors Attend Clinic

Blood donors attended the clinic in the Lacombe community centre on Thursday, with only 161 turning out compared to 275 at the time last year.

There were 60 donors who turned out for the first time, and 101 in the evening.

Drop in numbers is credited to the weather, which turned snowy and cold the previous night. The clinic was sponsored by the Lacombe Lions club, and the Red Cross.

Hockey Opener Nov. 7, 9 p.m.

The new season of the Lacombe Rockets will get underway at the stadium here Saturday when the Olds Kings will meet the Rockets at 9 p.m.

Coach Glen Pettigrew of the Rockets has been working hard to get the team ready for the season. He expects the team to be in good shape for the opening game.

A large crowd is expected to be on hand for the Saturday game. The Rockets will be looking to pick up their third victory at Sals's Hardware and Furniture, or immediately before the game at the arena.

Manager Maxwell Bessie is optimistic about the Rockets' chances this year. He points out that last year's team was not as good as this year's, and that the team has been working hard to improve.

"Our best line, of course, was getting Gordon Pettigrew to reach the second line, a fine player with the Bruins last year. He has been working hard to improve his game, and we expect him to be a big asset to the team."

Other key players include Jimmy Paragot, who is expected to be a key player for the Rockets. He has been working hard to improve his game, and we expect him to be a big asset to the team.

Solid for '60 Announcing the new Plymouth

Solid comfort! Solid performance! Solid safety! Solid beauty! You'll find them all in this 1960 Plymouth, with rustproof and rattlesnake Unibody, new inclined overhead-valve six-cylinder engine, and a whole lot of other solid improvements now to the low-price field!

More a hole in the body No car in Plymouth's class was ever built better than the '60 Plymouth. Unibody makes the difference.

The Plymouth structure is of one piece—frame, body, crossmembers and outer panels—without a body bolt in it to seal the solid silence of your Plymouth ride.

Not only is your Plymouth built to withstand wear and rust punishment, it's designed to stand the rigors of winter weather. For the year, Plymouth introduces a completely new rustproofing system.

Most comprehensive rust-proofing of any car—over 100 points of treatment. Your Plymouth is built to withstand wear and rust punishment, it's designed to stand the rigors of winter weather.

1960 Plymouth...built a new solid way to give you solid satisfaction. FERGUSON MOTORS (Lacombe) LTD. PHONE 107

GREEN ACRES

By
Walter
McNary

From information obtained in Lacombe, November 12, 1969, it would appear that a group of farmers on the south side of the Red Deer River are planning to develop a group of 100 acres of land into a green acres area. The group is being organized by a group of farmers who are interested in developing a group of 100 acres of land into a green acres area. During the winter months, a gravel crusher and stock-piling plant was arranged and carried out by town workers who would otherwise have been employed. Over an extended period some 1200 yards of gravel were made ready for use in building and maintenance in the summer. The gravel was made ready for use in building and maintenance in the summer.

Food feed conversion ratio. In fact, there has been such a drop in the feed conversion ratio that it is now possible to get a bushel of grain for less than one dollar. This is a record for the province. It is estimated that if the feed conversion ratio were to drop to one dollar per bushel, the cost of grain would be reduced by 50 per cent.

Dr. O'Donnell stated in his report that the change over from old to new grain is always critical and the change should always be gradual. He also stated that the grain should be used in new grain may be acceptable by the high moisture content of the grain. However, Dr. O'Donnell did not say to look over the need for new grain in feeding grain.

New Tom Boy 'open house' Saturday Evening

Store Manager

GARRY WAGNER

Manager of the new Tom-Boy store, has had many years of experience in the retail food business. A former Moose Jaw resident, Mr. Wagner started work with a major market in that Saskatchewan city upon completing high school. After working with the store for a few years, he purchased a share of the business, and continued to operate the business as part-owner. He said his interests in Moose Jaw during this period, and moved to Lacombe to invest in the new enterprise opening Monday.

Manager, a member of the Lacombe club, Mr. Wagner has also been active in hockey and baseball circles in Saskatchewan.

START OF RISE

Wagner's Tom-Boy store has attracted new job opportunities for a number of local residents.

Store manager Garry Wagner will have a staff of six. Mrs. Helen Stephen of Blackfalds and Mrs. Helen McCarty and Mrs. Louise McEachern, of Lacombe, will be employed as cashiers. The floor will be Ray Deane of Lacombe, who has been hired as stock boy.

Adding most departments manager Cliff Carson will be in charge of the stock.

The refrigeration units are all new to complete addition to the store.

The new store is departmentalized in a separate building outside the store.

Home of Lacombe's New Supermarket

160 Lincoln Rd. Off Refrigeration Cans in New Store

Refrigeration at the new Tom-Boy store has a lot of the main features of the retail outlet.

The new store has a total of 160 linear feet of refrigeration in all departments. One large unit will provide below-zero temperatures for frozen foods, and two smaller units will provide for frozen meats and poultry.

Another large section will be for chilled and frozen dairy products. The dairy section will be for chilled and frozen dairy products. The dairy section will be for chilled and frozen dairy products.

The refrigeration units are all new to complete addition to the store. The new store is departmentalized in a separate building outside the store.

New Store Fully Modern In Fixtures and Planning

Lacombe's newest supermarket main sections - groceries, produce and meat. The store itself will be one of the largest stores of its kind in central Alberta, with a total floor area of 5,000 square feet.

The store building is a brilliant lighted by more than 1,000 fluorescent lights. The store is equipped with the latest modern service counter are installed to provide the fastest possible service.

The produce department, as an example, has one of the largest refrigerated display sections in the province, with the latest type of display racks for fresh vegetables and green fruits.

There are a total of 160 linear feet of the latest "new look" food displays, with other new modern equipment.

Business Opens Monday

Grand opening of Lacombe's new store and layout of the new several food stores - Wagner's Tom-Boy Store - will be observed next Monday morning when the new premises open for business.

First glimpse of the new store will be provided Saturday when a wide range of special gifts to customers.

Food departments, however of brand new and 60 to 65 additional fixtures, including a new electrical automatic dryer as the grand prize to the children's department.

By the way, the new store is a gift to the community, as it will give residents of town and district are available at the store, with an obligation to buy.

ALBERTA WHEAT POOL MEMBERS ACHIEVE A NEW MILESTONE OF PROGRESS

On November 30, the Alberta Wheat Pool's new office building in Calgary was officially dedicated. It will be occupied before the end of December. The completion of this modern 8-story building is a tribute to the farm people of Alberta, whose loyalty and faith in the co-operative principles have made the Alberta Wheat pool the province's largest home-owned business.

Today the facilities of the Alberta Wheat Pool—all farmer-owned—include 568 country elevators, huge terminal elevators at Vancouver and Port Arthur, a seed handling division and now Calgary's most modern office building.

Alberta Wheat Pool members have reason to be proud of their achievement.

The Mutual Life of Canada
announces
INCREASED DIVIDENDS
again in 1960

The Mutual Life of Canada policyholders are accustomed to big dividends. The company is famous for its outstanding dividend record.

The increased dividends that will be paid to the policyholders in 1960 will further reduce the lowest net cost of their insurance. The Mutual Life has been providing policyholders with insurance coverage at the lowest possible cost since 1880, the year the company was formed.

and has been applying the same principles to group insurance since the company entered that field in 1927.

You can share in the dividends that go with Mutual Life of Canada policies. Your nearest Mutual Life representative will provide complete information on the advantages of Mutual Life of Canada protection.

Co-Op Officials
Attend Meeting of
Crown Local, F.W.U.A.

A very successful co-op taking meeting was held on November 24 at the Monticott hotel, sponsored by the Crown Local, F.W.U.A. There were over 40 ladies in attendance in spite of the very cold and heavy snow fall.

Mr. March of the Saskatchewan Plant Food was the speaker for the evening. Glen McElroy of the Plant Food Co. gave the address.

The two demonstrators were Mrs. Mary Marshall of Edmonton and Mrs. Ruby Reed of Rocky Mountain House. They prepared and served a very tasty repast for the ladies. All made co-op products. The food was delicious.

The two hampers and six shopping bags of co-op products were donated by the Plant Food Co. and were won by Mrs. M. L. Sweet and Mrs. Herb Fugle. Mrs. V. Ward, Mrs. W. Zandorf, Mrs. Macintosh, Mrs. M. L. Sweet, Mrs. E. A. Carter and Mrs. E. Younggren, the shop girls.

Coffee, tea and lunch, consisting of the baked goods, brought a very successful evening to a close.

Mr. GERT WRIGHT

Well-known native Lacombeite will manage the coffee shop in the new station. Mr. Wright will be in charge of the seven staff staff, offering short order and full-course meals in person.

Merry Christmas in Your B.A.
They take this opportunity of wishing you and all your family a very Merry Christmas and may we continue to be of service to you during 1960.

From Recent Arrangements

This is the time of year when we find we are asked to help family with their social, party and holiday arrangements. We are pleased to be able to represent a passing of resources by the husband and the wife, inasmuch as, a suitable distribution of the presents of good friends would ensure a share to the husband and the wife, that is a guarantee to the satisfaction of the husband and the wife.

When the husband and the wife are asked to help family with their social, party and holiday arrangements, we find we are asked to help family with their social, party and holiday arrangements.

Unto The World A Saviour Is Born

But while he thought on these things, behold, the angel of the Lord appeared unto him in a dream, saying, Joseph, thou art David, fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Spirit.

And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.

Now all this was done, that it might be fulfilled which was spoken of the Lord by the prophet saying,

Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us.

Then Joseph, being raised from sleep did as the angel of the Lord said unto him: and took unto him his wife.

And knew her: and with child brought forth a son.

What Christmas Cards Convey

CHRISTMAS card manufacturers have taken to the unusual in the last few years, in that they have made some of the designs original and encourage greater sales. There have been many kinds of cards, some designed to be sent to friends, some to family, some to business, some to the church, and some to the world. Some cards are sent to the family and some to the world. Some cards are sent to the family and some to the world. Some cards are sent to the family and some to the world.

Christmas 1959

(Guest editorial by Ken Mayhew, editor, Victoria (B.C.) Enterprise).

WHAT is it that we want during the Christmas season? We want to be able to give to the people we love. We want to be able to give to the people we love. We want to be able to give to the people we love.

The Chan Case

IMMIGRATION minister, Mr. Elin Pearson, has ordered the Chan family deported to China and their children to be placed in the care of the Chinese government. The Chan family has been in Canada for many years and has been successful in business. The Chan family has been in Canada for many years and has been successful in business.

Banks Meet Tight Money Challenge

"Denied the use of the praiseworthy system to allocate credit in accordance with market forces," said Mr. Muir, "banks were forced to..."

"But they did more than this. The chartered banks supplied the credit necessary to finance the subsequent revival of the economy, and secured mainly government bonds, sometimes at a real interest of

The savings of the general public, who bought the bonds.

loans to businessmen, farmers and consumers. There was no creation of new money, only the channelling of savings in to loans through the mobilization by the banks of the existing money supply."

supply depends not only on the money supply as much but also on its activity, that is, its velocity of circulation. Our mechanism of monetary control is defective in that it ignores the velocity dimension, and this defect forces us to resort to rough-and-ready tri-

"The third lesson of recent experience is that the course of

...were enabled always to implement Bank of Canada policy by allowing their lending rates to reflect changes in market rates, or under the present rate-land system, changes in bank rates for the market for credit, thus to

...a single market and the Governor of the Bank of Canada has recently expressed a similar point of view. But in a single market, there is already an incentive for any given community. It is absurd, therefore, for bank lending rates to be subject to price control while other rates by other lenders

"However, if chartered bank lending rates were made more flexible, the difficulties could be avoided without abolishing the maximum rate principle. For example, a 'minimum' ceiling set at the present 8 per cent

when necessary to a level not more than one percentage point above the 91 day Treasury bill rate or (the same thing) $\frac{1}{4}$ of a percentage point above bankrate. Such an arrangement would greatly ease the banker's problem of allocating credit in a tight market.

"There would be no 'light money' and Mr. Muir, 'If the price was right: instead, those willing to pay interest at current market rates would get the funds, those unwilling to pay these rates would postpone expansion until the price of funds became more

***to see the "Face of Service"**

Put yourself in Mr. Brown's place - haven't you ever wondered about your electric bill? What services it represents? Mrs. Brown has wondered, and his daughter, Dianne is curious, too. Mrs. Brown, working in that comfortable all-electric kitchen is probably more interested in the results of her electric cooking than in the source. She's interested in people, though - she likes to know who they are and what they do. So, we at Calgary Power have arranged to take this family on tour. We want to show them our company from beginning to end, how it works, what it does. More important, we want them to meet the people who make it work. Join their tour, on this page, in the months ahead.

Lacombe, Red Deer Split Two Games

Red Deer Rangers came to Lacombe on Tuesday night to improve their chances of making the league schedule in first place for their third province.

For the "Cougars" Rangers, the night was a bit of a disappointment. The team was in a bit of a slump, and the game was a bit of a disappointment. The team was in a bit of a slump, and the game was a bit of a disappointment.

To finish first, Rangers must play better than they did in the first game. The team was in a bit of a slump, and the game was a bit of a disappointment. The team was in a bit of a slump, and the game was a bit of a disappointment.

Hold 3-1 Lead in Games Against Ponoka

Lacombe Rockets held a 3-1 win in a regatta at Lacombe on Saturday afternoon. The winner of the regatta was the Red Deer Rockets, who defeated the Lacombe Education Kings 3-1.

The last 31 Ponoka was a heart breaker, with Johnny Young leading the score at 4-4 with seconds left in the game only to see John Zakari win the game for the Rockets early in the overtime. Coach Art Ford said he had only three minutes to go for the Rockets to win the game.

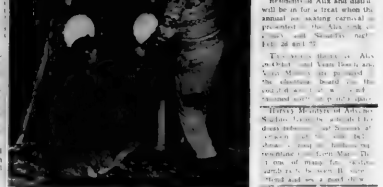

The first of two wins on Monday night was something of a cinch for the Rockets, who defeated the Lacombe Education Kings 3-1.

Ladies' Spiel At Lacombe Rink March 1 and 2

I have examined the balance sheets of the Lacombe Municipal Hospital as at December 31, 1956, the statement of Revenue Fund Income and the Statement of Revenue Fund Expenses for the year ended on that date, and the supporting statements including the Supplementary Detail of Earnings from Services to Patients, the Supplementary Detail of Revenue Fund Expenses, and the Statement of Revenue Fund Balance. My examination included a general review of the accounting procedures and much less of the accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheets and statements of income, expense and surplus present fairly the financial position of the hospital as at December 31, 1969 and the results of its financial operations for the year ended on that date as determined in accordance with generally accepted accounting principles.

Rockets Knot Series at 2-2

The short-handed Rockets and the western Canadians were tied 2-2 in the first round of the Lacombe Rockets series. The Rockets, who were short-handed, won the first game 2-1, but the Canadians won the second game 2-1. The series will continue on Monday night.

Involved In Fatal Crash

Shown above are the three vehicles involved in a crash which claimed the life of a young man.

The crash occurred on the highway near Lacombe, Alberta, on Thursday, April 7, 1960.

The victim was a young man, 21 years old, who was driving a 1958 Chevrolet.

The crash was caused by a combination of factors, including excessive speed and poor road conditions.

The coroner's inquest is scheduled for next week.

The family of the victim is requesting privacy at this time.

The crash was a tragic loss to the community.

The police are continuing their investigation.

The crash was a reminder of the dangers of driving on icy roads.

It is possible that a recreation commission is required here. Those who have studied the subject in detail have concluded that the best proposals in a fine brief which was presented to the council, wherein it is stated that the need for co-ordination of recreational activities is urgent.

This argument cannot argue against the fact that some overall control over the recreational activities could result in better use of the funds available.

In spite of these arguments in favor of the commission, we have grave doubts concerning its establishment. We feel that to a considerable extent, commissions tend to destroy private initiative. Those in favor of the commission argue against this point, and foresee that more volunteer citizen help in the coaching and training of various boys and girls' sporting

We don't agree with this argument. A co-

THE recent offer of Mrs. Helen Newman to donate three or four acres of land to the town of Lecombe for use as parkland is most timely.

Forecasting the future. It won't be too long before the scientists tell us, before most of our shoppers know, that this is done by dropping coins into a slot, and measuring the resulting selection required.

Fast-runners of this type of shopping are today's soft drink machines, cigarette and chocolate bar vending units and the bubble gum dispensers. An advancement on these are the style sales machines are coffee and sandwich machines which are in operation today at the ski lodge in Banff. Want coffee? It's simple. Drop 15 cents in the slot required, dial the coffee, cream, sugar, extra sugar or extra cream and it comes. Want a sandwich? Pay the price.

These machines might be efficient, but there's a lack of warmth about their service which is frustrating to the delicate soul. If the coffee isn't hot enough, who cares? The machine, with its red ornamental lights, looks back at the arate customer with a lack of feeling which even the most blasé waitress can touch. Get a ham sandwich instead of three coffees. So what? Take it up with the machinist.

Confronted with this type of impersonalized efficiency, a person cannot help but feel a warm glow for the foibles of human nature. Waited on personally, one can at least

In the development of urban centres, parks are considered by many to be waste land which should be sub-divided and built-upon to become taxable.

Properly laid out parks, however, can provide residents with a back-to-nature solace which is a happy relief from the bustle of everyday life. This offer is particularly timely because of the property's proximity to the senior citizen's home which will be opened

The offer cannot become valid until 1943 due to the present lease on this land. There is lots of time to lay plans for its development, along the lines laid down by Mrs. Newman in her offer to the town. Citizens here would be remiss, though, in not extending thanks to Mrs. Newman now for her foresight and community-mindedness in offering this property free of charge to the citizens of Laconne.

Semi-skilled and unskilled jobs represent only 30 per cent of the jobs available. At the same time, nearly 70 per cent of the youngsters entering grade two will drop out of school before getting their junior matriculation. In other words, 70 per cent of the students will in future be competing for the 30 per cent unskilled jobs. During the past ten years opportunities in professional occupations have increased by about 70 per cent, and in the skilled occupations by another 35 per cent, while semi-skilled and unskilled occupations showed an increase of only 20 per cent.

25 cents went for costs of operating the company's plants for our 13,000 employees.

9 cents was for depreciation, money set aside to replace worn-out equipment.

5 cents went to various taxes (not including the 10 to 18½ cents per gallon)

6 cents was left. But two of these had to be set aside for new products and for expansion of things like filling stations to meet the public needs.

4 cents was left for the shareholders—where it was possible.

Sr. Cyprian's W. A. Holds Regular Meeting May 12

Regular meeting of the women's branch of St. Cyprian's W. A. Fraternity last Thursday. The president, Mrs. M. Benson, and council members were present. A discussion was held regarding the possibility of placing a prayer station for the group and Mrs. Benson agreed to act as secretary.

The afternoon session of the club in order to help make the lobby for the October's Annual Auction of doll furniture and fabrics, made by members during the previous month, were on display.

On Saturday, the afternoon W. A. will hold a table sale at the Ten Bay store, and members of the evening branch were asked to attend.

The dinner meeting to be held in the church hall on Tuesday, May 24, Mrs. K. Gibson and Mrs. G. Johnson agreed to prepare and serve dinner at 7:30 p.m. to the members attending the meeting.

After prayers by Rev. Ken Colman, lunch was served by Mrs. W. J. Primm, Mrs. A. Gibson and Mrs. L. Edmondson. June meeting will be held at the home of Mrs. F. Tracy.

New Fire Truck Arrives in Town
Lacombe's new fire truck arrived last week and was formally turned over to the town of Lacombe by the manufacturer's representative George Bentley, center above, shown shaking hands with Mayor R. A. Gordon. On the left is chief Constable Dalziel, who states the new truck has undergone severe fire underwriters' tests, and other fire tests. The truck will be on display at the fire department's "open house" in the fire hall.

Council Deals with Varied Agenda At Meeting Held Monday Evening

Town councilors dealt quickly with a mass of routine business Monday evening, and finished their session in a semi-annual report on the town's progress.
